### Public meeting scheduled for Port Colborne's Parks and Recreation Master Plan

April 15, 2019

**WHAT:** The City of Port Colborne is preparing its Parks and Recreation Master Plan that will guide the future operations of parks and recreation services, facilities and amenities for the City.

The Project Team from MHBC Planning has been conducting stakeholder engagement with City residents, recreation providers, City staff and Council. Consultation with community members is integral in the development of recommendations for the final Master Plan.

The Project Team has compiled the results of the online survey, working sessions, interviews and community feedback. The stakeholder findings will be presented at this public meeting and is an opportunity to report on what was heard from the community during the consultation process.

Winners from the online survey draw will also be announced at the public meeting.
