Canada 150 Time Capsule Dedication: 1:00 p.m.

For the past few months, the Port Colborne Historical & Marine Museum staff have been reaching out to the community, gathering items of interest to be included in the capsule that will give the residents of Port Colborne 50 years from now an idea of what our city is like today. Items being included in the capsule are coins, photographs, and local brochures, but most important are the messages to the future, written by those who want to share a story of life today with people 50 years from now. This time capsule will be opened at Canada's bicentennial celebrations in 2067.

Refreshments to follow, including a Cupcake Cake to celebrate the 5 year Anniversary of the Vale Health & Wellness Centre and the partnership between the City of Port Colborne and the YMCA of Niagara.
