

I, Chris Lee, being the Director of Engineering and Operations for the Corporation of the City of Port Colborne, am of the opinion that the proper movement of traffic and the safety of the public requires the prohibition of parking. Section 205.02.11 of By-law 89-2000, being a By-law to regulate traffic and parking on City roads, allows the Corporation of the City of Port Colborne to implement such action.

Therefore, based on the above, I hereby implement a parking prohibition from August 28, 2020, at 12:01 a.m. to October 12, 2020, at 11:59 p.m. inclusive as set out below.
