Please be advised that the Planning Act requires Notice of Public Hearing be given no later than 20 days before a scheduled public meeting for a Zoning By-law Amendment and Official Plan Amendment, 14 days for a Plan of Subdivision and Consent Application, and 10 days for a Minor Variance application. In order to allow sufficient review time of an application, all applications should be submitted at least 14 days before the last day for giving Notice of Public Hearing under the Planning Act.

While it is an objective of the Planning and Development Division to process applications in an expeditious manner within the time frame established in the Planning Act, an applicant may wish to consider an accelerated application in the event processing is needed immediately and City resources and/or notice requirements are limited. Fees for an accelerated application will be assessed based on overtime incurred by staff to process the application at the rates listed below:

Staff Rates:

| | |
|--------------------------------------|-------------|
| Director of Planning and Development | \$220/hour |
| Planner | \$150/hour |
| Planning Technician I Clerical | \$100/ hour |

Applicants should note that no application shall take priority over other applications being processed solely on the basis of the applicant having paid an accelerated fee.
