March 4, 2021

Starting Thursday, March 4, 2021, until approximately Friday, March 12, 2021, the Pleasant Beach Road beach entrance will be closed. Rankin Construction will be moving equipment from the end of Pleasant Beach Road to complete shoreline protection work on a neighbouring property to the east of the beach.

Signs will be posted, and residents are encouraged to avoid the beach entrance until Rankin Construction has completed this project.
